

## FY2011 Dues Waiver Program

In support of our members, in April 2009 the MALSCCE Board of Directors voted to create a **Dues Waiver Program** for current Registered and Associate Members in FY2010 who had paid membership dues in FY2009. This program is being extended for FY2011.

Under this program, MALSCCE will **waive FY2011 Annual Dues for any Registered or Associate Member who is currently unemployed**, provided that he/she provides documentation OR a letter to the MALSCCE Board to show this current status, along with current contact information, including email, and a signed Affidavit on the form below. Members who participate will have access to all MALSCCE member benefits, including the ability to attend MALSCCE seminars and the Convention at the Member Rate. In addition, scholarships are available for some MALSCCE seminars for unemployed members.

### Acceptable Documentation for the Dues Waiver Program includes:

- Copy of an email or mailed notice from the Massachusetts Department of Workforce Development showing receipt of a valid unemployment insurance payment during July or August 2010 (*blackout any social security # or private information*) or a similar document **OR**
- A letter from the member to the MALSCCE Board of Directors, mailed or emailed to The Engineering Center, asking for a Dues Waiver. The member should also pledge to notify MALSCCE once he/she has started a new position and should then pay dues for the current dues year.

### And

- Your completion and return of the form below by **November 1, 2010\***, including your signature on the Member Affidavit.

When you find employment before June 30, 2011, the MALSCCE Board requests that you notify us of the change in your employment status, update your contact information and consider a voluntary payment of your FY2011 dues. The MALSCCE Board will consider whether to extend this program beyond June 30, 2011 at its April 2011 Board meeting.
